

Mullaway School Uniform Expectations

Mullaway Primary School aims to foster a sense of pride in our school and the wearing of our school uniform contributes to this sense of pride. Students are encouraged to take pride in themselves and their personal appearance. Our expectations require all students to wear a clean, neat and tidy uniform correctly at all times, both on school grounds and when outside of school. Our Uniform expectations have been developed in consultation with students, staff and parents and takes into consideration the Cancer Council of Australia recommendations. Mullaway Primary School appreciates and expects parents and carers support in this matter. The NSW Department of Education Uniform Policy (<https://education.nsw.gov.au/policy-library/policies/pd-2004-0025>) states:

- The department requires that schools set local school uniform requirements.
- The department supports the wearing of school uniform, which promotes a sense of belonging for students and creates a positive identity for the school community. School uniforms also contribute to the personal safety of students by allowing easier recognition of students inside the school and in the community.
- Schools expect students to wear the uniform during school hours, while travelling to and from school, and when engaged in school activities out of school hours.

Mullaway Primary School Uniform expectations are as follows:

Modest length -(half-way between the top of the leg and knee.) When standing straight the tip of the middle finger is where the bottom of the clothing should be.
