

Parent Evaluation Sheet

Since implementing the Kids in the Kitchen program at school have you noticed any of the following:-

Please comment on any positive changes you have seen in regards to the KITK program.

Are there any Work, Health and Safety issues that we have not addressed?

10 responses were no, others made no comment.

Please add any suggestions or ideas for our future KITK program.

Kids love it! Easy and tasty food/meals. A very positive program.

Keep it going. Do it more often. Vegetarian choices.

Lunch box types of food to encourage that to come to school. Sharing of roles-some parents take over.
