## Principals Report – Week 10, Term 3

### Welcome to our New Mullaway Staff Member

During the term Mullaway successfully completed a Merit Selection process to employ a permanent Assistant Principal (previously Mr King's permanent appointment at Mullaway). It is my pleasure to congratulate and welcome the successful applicant, Mr Matthew Neal. Mr Neal will officially start at the beginning of next year however we hope to see him attend some of our events during the rest of the year to meet students, staff, parents and community members. Welcome to the Mullaway Team Matthew.

#### Letter from Matthew Neal

*Giinagay Mullaway,*

*I'd like to start by thanking you for the opportunity to be welcomed into your community. I am incredibly grateful, humbled and excited to be embarking on this new chapter together; and I can't wait*

*to get to know you all.*

*I am a proud Coffs Harbour local. I grew up on the Northern Beaches and attended Kororo Public and Coffs Harbour High back in the 80s and 90s. I moved to Lismore to study a Contemporary Music degree; where I played in various rock, funk and fusion bands and toured from Brisbane to Sydney playing original music I had composed.*

*Following this I embarked on a life of travel. I made my way around Australia following a seasonal trail: working on farms from Bowen in northern Queensland down to Geeveston in Tasmania. I even spent an entire season on top of Mount Hotham, snowboarding every day for four months straight. I*

*taught myself Spanish and spent a year travelling through South America, where I helped to build a mud brick school on an island in Lake Titicaca; trekked through the Sacred Valley to Machu Pichu; and explored deep into the Amazon Rainforest. I've spent time in England and Scotland; and I've made numerous trips to South East Asia. I met my wife in Thailand and we have 2 beautiful boys together. We have been living back in Australia together for the last 11 years.*

*I have been lucky enough to have worked at some amazing schools in the area. I am coming to you from Repton Public School. We are a small school with only 70 students. We have a close community and we are proud of our excellent reputation. We run many of the same programs as Mullaway: we have a kitchen/garden program, a music program, and we enjoy using technology to enhance our learning too! I have taught all grades and I am currently on a K1 class. I relieved as Principal of Repton for Term 1 of this year and I am currently involved in an aspiring leadership program, where I collaborate with other educators and leaders in a professional learning community.*

*I bring a positive, supportive and inclusive mindset to the leadership team and I look forward to working with staff, students and the community. I carry high expectations of myself, my colleagues and my students, and I am committed to helping Mullaway to be recognised as an exemplary school. The success of our students is pivotal in achieving these goals and I base my decision making on the needs of the child. My classroom is always open, and I will support, motivate and mentor students and staff in their pursuit of excellence.*

*I am a passionate basketballer and I still play every week - I might not jump as high as I used to, but I still get the occasional bucket! I play guitar in my free time and I try get out for a bit of a surf too. Feel free to say G'Day if you see me in the waves; or hit me up for a pick-up game on the courts.*

*Looking forward to our years ahead,*

**Matthew Neal**

## Mrs Dobbs Maternity Leave

Mrs Vanessa Dobbs will be going on maternity leave at the end of this term. We wish Mrs Dobbs and her husband, Nathan, all the best as they head into the next chapter of their lives and become parents. We thank Mrs Dobbs for her dedication, hard work and care she has given her Kites class since the beginning of the year. All the best and good luck.

## Bus Safety

We are asking parents and carers to help us keep children safe when using buses to get to and from school. Whilst waiting for the bus of a morning, children need to wait at a safe distance from the kerb and wait until the bus stops before moving towards the bus. In the afternoon, all students need to go straight home or to where they are expected to be going. It is not safe to hang around the bus stop, climb trees, pick up sticks or climb walls. Best practice is to meet your children at the bus stop and walk home with them. If this is not possible then organising a buddy is a safe alternative.

## Coffs Harbour Animal Rescue Trust (CHART)

Last Wednesday CHART representatives came to our assembly to accept money raised by Emerald Ralph. Instead of birthday presents each year Emerald asks for her friends to donate money to a worthy cause. This year she raised money for the Coffs Harbour Animal Rescue Trust. Emerald raised \$411.00

Well done Emerald. A true Mullaway Kind Heart!

CHART will be releasing a green sea turtle back into the ocean in the coming months. His name is Woopi and was rescued from Woolgoolga main beach. CHART will be inviting our community to be involved when the release happens. We will pass on this information when it becomes available.

## Opportunity to help support CHART

You can donate your earnings from recycling your bottles and cans at the Woolgoolga Woolworths Return and Earn.

Return and Earn locations which have the CHART logo in the donation screen are:

- Pullen St. & Solitary Island Way, Woolgoolga (near Woolworths Woolgoolga)
  - 313-317 Pacific Highway, Coffs Harbour (the old masters building carpark)
- or alternatively, hand your bottles and cans to
- Dolphin Marine Magic during Trading hours only

## Mullaball Cup

As per tradition, the last day of term three is the Mullaball Cup. This is our annual Ball Games competition.

Children compete in their house colour groups. K-2 compete in Tunnel ball and Over and Under. Primary children compete in Captain Ball, Tunnel Ball, Zig Zag.

If time permits all houses are involved in a tug a war event as well.

The Mullaball Cup commences at 10.30am with K-2 events. Children are to come to school in house colours. Please make sure you have a hat and water bottle.

All parents, carers and community members are welcome to attend.

## Theatrical Minds

This year is our Theatrical Minds drama event. All students are involved and have been working hard to plan, write, rehearse, make props and finally perform their plays. All parents, carers and community members are welcome to attend. These performances will be in the hall. So as not to miss your child's performance we encourage our visitors to be on time.

## Performance Times

<b>Tuesday, 25th September</b>	Kinder from 10.30 Stage 1 (Glossy and Casuarina) from 2.00
<b>Wednesday, 26th September</b>	Stage 1 (Kites and Pandanus) from 10.30-11.30am Stage 2 from 12pm onwards
<b>Thursday, 27th September</b>	Stage 3 from 12pm onwards

## Tell Them From Me Survey

The Tell From Me Survey will close this Friday, 28th September. If you haven't completed the survey yet it is not too late. Running this survey will help our school understand parents' and carers' perspectives on their child's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

I encourage all families to have their say in the future directions of the school.

To be in the lucky draw you will need to come into the office and let us know you have completed the survey so we can add your name in the draw.

To access this survey please use the link:

<https://nsw.tellthemfromme.com/xrhmn>

## Excursion Fees

All excursion fees are DUE!! This is for both Lake Ainsworth (Years 5 and 6) and Cascade (Year 4).

Please have the total of your amounts owing to the front office by Friday, 28th September. Thank you.

## Holiday Time

After another productive and busy term I wish you all a happy and safe holiday time. Please be careful on the roads if travelling, swim at patrolled beaches and wear your helmets on bikes and scooters.

Looking forward to seeing both students and staff back on Monday, 15th October.

Protect yourself in five ways from skin cancer

**Kathy Broekman – Relieving Principal**

## New School Website

We have a new school website just launched. Please be aware that not everything has migrated over from the old website and we are in the process of updating our information.

Check it out regularly – it looks great. Our web address is still the same, we can be found at:

<http://www.mullaway-p.schools.nsw.edu.au/>

## School Hats

Could you please make sure your child's name is on his or her hat.

The best and most economical way is to have the name embroidered on the back of the hat, preferably first Name and

Initial of last name. This would cost approximately \$6.00 per hat, considerably less than purchasing a new hat.

Alternatively, we can print labels on iron-on tape for you to iron on the back and inside of the hat. Please send \$1 into the office in a zip lock bag and we print TWO labels for your child to take home for you to iron on.

## School Uniforms

If anyone has any second hand uniforms they no longer require please consider donating them to our uniform pool.

We are in desperate need to add to our stocks.

Thank you

## Schoolzine App

Just a reminder to all parents to download the Schoolzine APP to your phone. See instruction on the link below.

This will deliver the school Newsletter to you each fortnight and also enable you to request meetings with teachers and advise the school of your students absences.

## Parent Helpers and Visitors

All parent helpers and visitors to the school are reminded to please come to the office on arrival to sign in and collect a Visitors Badge. This is a Work Health & Safety requirement of all school grounds.

## Online Payments

A secure Westpac banking facility is available on the Mullaway Public School website to allow parents/carers to make online Visa or Mastercard credit or debit card payments for things like voluntary school contributions, excursions & sporting activities.

Look for the \$ *Make a Payment* button next to *Contact Us* at the top of our homepage.

Follow the instructions on this page.

We hope that you will find this payment option convenient. Payments can still be made at the Mullaway Primary School Office by cash or cheque.

## School administrative and support staff introduction training days

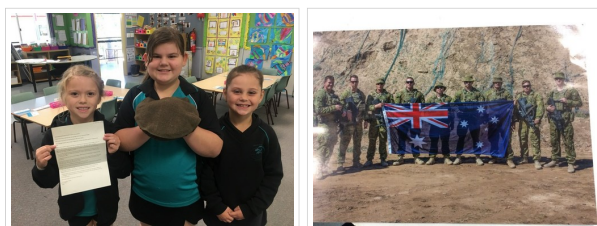

The Department of Education is seeking people who are interested in commencing work within public schools.

## Australian Soldiers Thanking Mullaway

We have been lucky to receive continued appreciation and acknowledgement from Australian soldiers who were recipients of our Mullaway Anzac Day Care Packages. We received a recent gift of a traditional Afgan hat called a 'Pakol'. It is made of

wool and worn by the Pashtun men. The students have enjoyed hearing from the soldiers and their important roles fighting for our country.

**Mrs Dobbs**

## Thank you Kites

I would like to say a huge thank you to my Kites students as I finish up at the end of this week. I have absolutely enjoyed each and every day with these students. Their happy personalities, energy and hard work, have brightened my days and the days of their peers.

I wish to acknowledge the parents who have volunteered in the classroom over the last three terms: Kathryn James, Lara Emerson, Kirsten Atkinson and Ella Griffith. Your regular assistance in the classroom has been extremely beneficial and I appreciate all the help and support you have provided the students and myself.

I wish the Kites students all the best next term. I will be back to visit.

**Mrs Dobbs**

## Congratulations to our weekly Mullaway Maths Mania Winners.

Oscar Sutherland from Wonga  
 Isabella Paterson from Casuarina  
 Restyn Watson from Bluegum  
 William McAnally-Monaghan from Lorikeets  
 Myilly Robertson from Bluegum

Congratulations to all our Maths Mania Winners to end the term. The level of student participation from each grade level was great to see across the whole term.

## Mullaball Cup

### Friday 28th September

Students will be participating in the Mullaball Cup this Friday on the school oval. They have been practising a number of traditional ball games in organisation for the event. **THE HOLIDAY ROUND-UP!** Guess what? **THE BORDERS ARE BACK!** Every spring since the return of the Borders to Coffs Harbour for our "WOOPI DAY SPECTACULAR!" (and every year it's going to be better) we've SPRUNG LOADED! We have even more fun. We'll also be heading back to one of our favourite places, the BIRDMAN WATER PLOUGH, as well as checking out the new ferries and harbours at SYNCHRONIZITY PARK in the beautiful Coffs Coast. All that combined with a new batch of PRACTICAL JOKES AND PRANKS and a MYTHOLOGICAL MONSTER HUNT makes for a whole lot of fun!

**With the new government CCS cycle, parents receive an amount of "Friday" hours each fortnight to use and if they go over these hours will be charged.**  
 For the October school holidays the CCS concession rate across 2 separate weekly periods.  
**WHAT DOES THIS MEAN FOR YOU?**  
 THE GOOD NEWS is that for this holiday period, each week falls into a separate CCS fortnight and will help with not exceeding your subsidy hours.

**As we go to press the Labor Party has taken a leaf out of the Labor Party's play book and killed its 2nd Prime minister creating government chaos. As a result we are becoming a Banana Republic, changing government and quick time, changing direction at the drop of a hat and trying to appease the loudest "whingers" who no thought to long term outcomes. As a generation, we are doing the same!**  
 The almighty savior of hollow promises, pandering to rage, using the easy path and avoiding conflict is a recipe for disaster in the *Always has been, always will be!* Good outcomes come from consistency, hard work, consistent hard yards and genuine leadership that provide firm foundations. Why are we banging on about this? Because the same formula applies to parenting! You and your children are growing in a world of "technology for technology sake!" It's essential! Screen time has replaced parents, to be used as both carrot and stick in the teaching of morals and ethics that are derived from Google, Facebook, "You Tube, popular opinion and Instagram "votobots/onlinebots" - your children need to be children! They do not need to be "connected" They do not need a phone! They do not need to be constantly visually stimulated and amused by games such as "Angry" or the numerous other "addict games in store" that will follow. They are a "multitasking" they developing a generation of children. It's called "childhood" for a reason and we only get one. PLEASE... lets all work together to give your child the chance to enjoy it as a child!

Bedwetting

**Bedwetting is common in children and causes anxiety around the time of school camps.**

Attention: The Principal

At the Bedwetting Institute® we have designed an effective program with Dr Mark Condon and Physiotherapist Margaret O'Donovan which is available on DVD. It addresses the causes of bedwetting and offers a practical and achievable method of curing the problem.

Would you please include the following notice in your next School Newsletter to help notify parents that they are not alone with this dilemma and that help is available?

**Bedwetting**

For information on all the causes of bedwetting and an outline of the treatment options available to cure the condition please see the Bedwetting Institute® website.

*"Thank you so much, it has made such a difference to our lives and to his confidence. He can now look forward to next year's camp instead of dreading it in case he has an 'accident' in front of his friends." Jane*
